MARCH 19, 2018

Who shall not fear, O Lord, and glorify thy name?

–Revelation 15.4a

NEW SISTER IN CHRIST!

Francesca, mentioned in my last report, was baptized for the remission of her sins! What a great blessing for her from the Lord, and what a blessing for the Lord's body! She is a woman of bright joy and encouragement. Her husband, **Daniel**, is working out of town for much of the next month, but he is excited for her and studies with Simon & Teresa when in town. Please pray for this new soul and for Daniel to have a heart open to God's word.

GOSPEL OUTREACH TO PEOPLE IN ALBANY, NY

Will is a new contact who regularly attends the Thursday night Men's Study. He is spiritually minded and appreciates the effort we all put into this study. He worships and works with a church in the area, and I pray that these studies will foster his ability to examine churches through the lens of God's word.

Tim, a new contact who saw our advertising through Meetup.com and visited for two of our Tuesday night Revelation studies. **Harman** also found us on Meetup and plans to attend this Tuesday evening's Revelation study.

I have not heard back from **John** and **Dewin**, recently. I plan to reach out to them again this week, and pray they will want to get together to study soon.

Joseph, with whom I had phone conversations, does not express a desire to learn and discuss God's word. I continue to pray for his heart condition, both physical and spiritual.

STUDIES AT MOHAWK VALLEY CHURCH

Tim just finished up Deuteronomy and Simon began Joshua for our Sunday morning Bible class. I continue teaching Revelation for our midweek, Tuesday night study.

We began reading Romans for our Wednesday afternoon café study.

Our Thursday night Men's study will begin reading through Matthew. My aim is to use the gospel to emphasize the importance of Bible authority in discussions with new contacts.

BUNTING FAMILY

On March 1 we had no snow on the ground. On March 2 we were blessed with over two feet of snow. Our total after the following two storms brings us a little over four and a half feet of snow in the first half of March. Winter just doesn't want to let go of us!

Boiling Maple Syrup

We are in the middle of Maple Syrup season and are excited for spring to come!

The Bunting family is well and busy with our various work. The children started their third term of school this month.

Thank you for your continued prayer and encouragement. May God bless you and keep you.
